Acknowledgements

Special thanks to the creative children with epilepsy and their siblings who designed the cover in collaboration with the Southeastern Wisconsin Epilepsy Foundation Affiliate

Special thanks to the Southeast Wisconsin Children and Youth with Special Health Care Needs for providing some of the notebook pages

Help with production of this notebook was made possible by the Edward Matuszak Memorial Fund in honor of his grandson, Eli Thomson, an epilepsy patient at Children's Hospital of Wisconsin

This document was developed with funding from the federal Maternal and Child Health Bureau, Health Services and Resources Administration under grant #H98MCO03893 through its initiative, Project Access: Improving Care for Children with Epilepsy. Support was also provided by two other partners in Project Access: The National Initiative for Children's Healthcare Quality (NICHQ), under grant # U23MC038893 and The Epilepsy Foundation, under grant # U23MC03909.
